Second-round leader quotes

AN INTERVIEW WITH AI MIYAZATO

REBECCA SEELIG: Welcome, a great round. Can we go through your card?

AI MIYAZATO: No. 5, I hit 8-iron second shot, and I had a birdie putt, 5 meters.

6, my second shot was hybrid 3. And my eagle putt was like 10 meters. My birdie putt was just tap-in.

11, I hit hybrid 3 again off the green and I had a chip-in.

15, second shot was 9-iron and birdie putt was 5 meter.

16, I hit hybrid 4 and my birdie putt was 4 meter.

18, I hit 5-wood with my second shot hit in the water, and I wouldn't get up and down.

REBECCA SEELIG: You got two 68's now, what was the main difference between those 68's, were you playing the course the same, did you change-up anything?

AI MIYAZATO: No, nothing changed but since yesterday I hit both really well, and my putting feels really good. So it was a really solid round, I would think.

Q. You are playing great since your big victory, can you talk about how your confidence level has changed and maybe how you approach tournaments differently?

AI MIYAZATO: Well, Evian really changed me because I have really strong confidence right now. But still focus every single shot. I don't know.

THE INTERPRETER: Because I am focussing on every single shot the results are following, so I'm not doing anything different or changed anything.

Q. How frustrating was it to finish with the bogey on 18, you were slapping your leg and it's a birdie hole for a lot of people. It's tough to lose a shot there?

AI MIYAZATO: Yes, I was a little bit ashamed about that. But I had a really good second shot. My ball was a little bit sit down on the second shot. It was a little challenge shot, but I had a really good try, and I almost get up and down. But I hit my putt well. I was a little bit ashamed. But it's not Sunday. I still have two days, so I think I will be all right.

Q. What was your yardage into 18, because the ball was down, did you consider not going for it?

AI MIYAZATO: No, I wasn't thinking about the lay-up actually. Because I've played so good so far, so I am just trying to go for it. It was a good challenge, I think.

Q. What was the yardage?

AI MIYAZATO: 214 to the pin, the second shot.

Q. There are some pretty long holes out here, can you reach all of the par-4's, are you hitting 3-woods into some of them?

AI MIYAZATO: Yes, I can reach the par-4, but the longest hole is 12, I think, I hit an easy 5, I didn't hit the 3-wood any way. So that's fine.

Q. Did the course play any differently today than it did yesterday just in terms of the conditions? Was it easier or harder than it was a day ago?

AI MIYAZATO: Well, it's no big difference. It was a little bit foggy. Like the wind is almost nothing. Didn't really change it.

REBECCA SEELIG: Any other questions? Thank you.
