Second-round leader quotes

AN INTERVIEW WITH BRITTANY LINCICOME

(Interview by tape.)

Q. You started on the back 9, you were red hot, how many were you?

BRITTANY LINCICOME: I think 4.

Q. You got to think at that point, I'm on?

BRITTANY LINCICOME: Yes, I was thinking I couldn't make a birdie. I'm happy with the round, just trying to shoot four days under par, and I did, so that was good.

Q. 70, 69 after two rounds, is that the kind of stuff that could win a tournament?

BRITTANY LINCICOME: Oh, yes, well, I was just looking at the crowds, and I look at the leaderboard all day, first of all on 18, I'm in fourth place, so hopefully not too many will pass me and I'll be there for the weekend.

Q. Did you prefer hot yesterday or cooler today?

BRITTANY LINCICOME: I'm from a Florida, so hot is fine.

Q. This is Florida weather.

BRITTANY LINCICOME: I'd rather it be hot than cold though.

Q. How do you feel about going into this weekend?

BRITTANY LINCICOME: Good, very good, I'm in a good spot.

Q. Your length off the tee, how much of an advantage is that on a course like this?

BRITTANY LINCICOME: Huge. Actually this golf course is kind of short. But other than that, I love driving the ball far, and I love people saying ohhhh about it.

Q. On a hole like 17, what did you have coming in to 17?

BRITTANY LINCICOME: Today I was in the rough I didn't get to go for it, but I only had like 215 or 220.

Q. You know, Patty Sheehan made a big noise here a few years back by getting a double eagle on 17, do you think you could take a shot at that?

BRITTANY LINCICOME: That would be nice. That would be fun. I haven't had a double eagle yet.

Q. Talk a little bit about your position, it looks like you'll not be on top of the leaderboard but right in there going into the weekend, how does that feel, does that change your approach at all going into the weekend?

BRITTANY LINCICOME: I think I would rather be in the middle coming from behind, I might be a little bit more nervous if I was in that lead going into Saturdays or Sundays round. So this might be better for me.

Q. Did you have much luck on this course?

BRITTANY LINCICOME: I think I came in 23rd last year.

Q. This is your second time around here.

BRITTANY LINCICOME: Yes.

Q. People are talking about the wind yesterday, obviously today is different.

BRITTANY LINCICOME: Yes, it was a lot easier without the wind. Like I said, it's a short golf course, so if I do hit it into the rough I only have wedge into the green which is good. Last week was a Major, this week is a Major, if you hit it into the rough, you have a 5-iron into the green. I like this golf course a little bit.

Q. Brittany, how do you feel, between the start of the round and the end of the round, when do you feel more confident?

BRITTANY LINCICOME: The end, after I'm done. Like I said, the front 9 was really good, and the back 9 was even par, it's not bad, but I would like to have at least one birdie.
