Annandale Country Club
Madison, MS**

Sept. 30, 2010

Tournament quotes:

QUICK QUOTES FROM BILL LUNDE

BILL LUNDE: Kind of played well all day. Obviously, got off to a good start on the 1st hole, hit it from about three feet and birdied. Got off to a good start. Didn't really get myself in too much trouble. Couple of tee shots I missed the fairway, but I kind of ended up in a good spot. So good fortune there. Just played solid and kind of made some putts. I hit it close, but I did eagle 11, par 5. So, obviously, that kind of kept the round going a lot.

Q. And you reached in two?

BILL LUNDE: Yeah, on the lower level. I made probably a 50, 60-footer, something like that. It was long.

Q. And how did the wind impact you?

BILL LUNDE: It was perfect earlier this morning. It started blowing a bit towards the end, probably the last eight,

nine holes, but definitely wasn't bad. The weather was great, just a little breezy.

Q. What happens if this wind keeps going?

BILL LUNDE: The greens will get a little firmer, a little speedier, but the course is in great shape. I think, if it's a little breezy like this, it will dry out the greens a little more and get them firmer, which will make it tough. I hit a few putts coming in that I didn't think I hit that hard. I was going up to tap that in, and I look up, and I'm five, six feet behind. I'm like wow. It's a little shocking there. But the course is in great shape.
