**AN INTERVIEW WITH JOSE COCERES**

(Transcribed from tape).

Q. Is this your first time playing Riviera?

JOSE COCERES: It's my first time here this week, however I played here two years ago.

Q. How do you feel about the way you played?

JOSE COCERES: I feel like I'm off to a good start and I'm looking forward to a good year, and I feel very comfortable with the way I played today, and I have confidence that I'm going to play well and try to win here. I'm happy with my score and I'm just going to try to continue to play well here.

Q. How did you feel about the conditions out there, how is the weather?

JOSE COCERES: This morning was really good because there was no wind, and we were expecting rain but it wasn't raining and at the moment right now the weather is good and, you know, my score was good. The wind was good for my score.

Q. Do you feel like your game has changed at all?

JOSE COCERES: It's a different experience because I play it on the European TOUR. There is a small difference because I need more up on the ball. I'm very happy with my year here. I have changed the clubs. I have changed the shaft so I can go more up with my ball.
