#### INTERVIEW WITH PAULA CREAMER

Q. First of all, let's get your reaction when you see where you are at right now.

PAULA CREAMER: I hit the ball well today, especially the last couple of holes. I gave myself a chance at some birdies and I made a couple. The next two rounds, the big thing is to come out and feel comfortable on the golf course.

Q. How does it affect you having to come out and play and then go take a long lunch and come back out and play?

PAULA CREAMER: I think it actually will be okay. It will be good to get out of the sun. It's just so hot out here; just kind of change clothes.

Q. The conditions on the course, are you surprised you are even playing?

PAULA CREAMER: Actually, the superintendent has done such an amazing job out here. Considering how much rain we had and how wet the golf course already was, it's amazing that they did such a good job.

Q. (Inaudible)?

PAULA CREAMER: I will probably go sit down and eat some lunch and relax a little bit.

Q. Is it a little daunting when you get on the course and you see the river between 1, 2, and 3?

PAULA CREAMER: It's actually kind of fun. (Inaudible). It's what you have to do. I kind of have to block it out. Like I said, I can't believe how dry the other parts of the golf course are. It's amazing what they have done.
