(Quick-Quotes.)**Error! Bookmark not defined.**

Q. (Inaudible.)

KEN DUKE: It is nice because I feel like my game is well. This week I have been in the right spots.

Q. Can you pinpoint one thing, was it putting. I know this season you haven't had great success, no Top 10's but it looks like it may change?

KEN DUKE: Hey, it took me 10 years to get out here. All of the media, all of the fans, and all of the golf courses as well. You just have to be patient out here and see what you can do. I know I think I can play out here.

Q. Did you like playing under pressure circumstances, obviously you have done it in the past, it's a little different?

KEN DUKE: Yes, it's fine. This is what we all strive for growing up and now what you do for a living. So the more people the better.

Q. As far as folks from home, when they see your name, just if you can give a brief description of your style of play, a little something about you?

KEN DUKE: I'm a field player, and you never know when I might go for a green, or for a pin, or go for broke here and there. So we will see what happens.

Q. You have felt something click though, you have been playing more comfortable?

KEN DUKE: I am. I am rolling in 6, 8, 10 footers. I feel a little extra. It goes into to my swing and shots. A lot of pins are set up for me.

Q. Is it nice to have a Master's champion right there around you?

KEN DUKE: Yes, it's great that Phil is in the field and bringing all of the fans out here.

Q. Best of luck to you.  
KEN DUKE: Thanks.
