Second-round leader quotes:

### INTERVIEW OF FRED COUPLES

(Interview by tape.)

Q. You plan on playing in the Montreal tournament?

**FRED COUPLES:** You know, I plan on it. But at this particular time, I'm not going any further than after Augusta to be quite honest. But I am planning on it.

Q. What appeals to you about that tournament?

**FRED COUPLES:** Well, it's a great event, that's for sure. You know, Mr. Coury (phn), a friend, someone I know, so I respect him and working on the tournament. You know, anything I can do to help him out is well worth it, so I am planning on going.

Q. Do you see it as one of the top events that you play in?

**FRED COUPLES:** Yes, for sure.

Q. Thanks.
