Tournament quotes:

QUICK QUOTES FROM GEORGE McNEILL

Q. Just tell me about your play this week.

GEORGE McNEILL: Played good, obviously. Made a lot of putts, hit some good shots. Limiting the mistakes. I think I only had -- I had one bogey and one double bogey all week. So when you do that, you're going to hopefully move up and move forward.

Q. Top ten into next week.

GEORGE McNEILL: I think I was in anyway. But top ten into next week, hopefully I can continue the momentum up there. I think it's a way different golf course up there, but that's the way it goes.

Q. Have you seen this coming? Have you been starting to play better?

GEORGE McNEILL: I've had some rounds at home that I've played all right. In Philadelphia I played pretty well the whole week. That's a very difficult golf course. So I kind of saw some of it going, but not really this. I think -- I don't think I'm going to win or even have a chance, but unfortunate for T.P. here. Yeah, I think I just locked up my card for the year. So that's pretty solid right there. I'm pretty happy with that.
