AN INTERVIEW WITH SOPHIE GUSTAFSON

THE MODERATOR: Scorecard.

(Scorecard.)

THE MODERATOR: Can you tell us about the course conditions?

SOPHIE GUSTAFSON: It's very wet because we've had a lot of rain.

Q. What is the best part of your game right now?

SOPHIE GUSTAFSON: It's been my ball striking. I haven't had it early in the year. It's finally come back. I missed two short putts on 16 and 18.

Q. You probably wish the season wasn't over?

SOPHIE GUSTAFSON: Yes.

Q. Everybody is making birdies, can you talk about what tomorrow is going to be like, how you are going to have to play tomorrow?

SOPHIE GUSTAFSON: Well, I just have to play the way that I have been.

Q. Can you describe your 45 foot putt, I know that was a roller coaster?

SOPHIE GUSTAFSON: It was uphill. It was a putt where it went up the hill and got level. I would have been happy to make it.

Q. You mentioned 16 and 18, how frustrating were those? You had a good chance to be even better today?

SOPHIE GUSTAFSON: Yes, I missed a 3-footer on 16, and I missed a three-footer on 18. But I mean, that's just going to make me hungrier for tomorrow.

THE MODERATOR: Thank you.
