### **AN INTERVIEW WITH HEE-WON HAN**

THE MODERATOR: Hee-Won, thanks for coming in, can we go over your scorecard first?

HEE-WON HAN: The first hole, I just hit a gap wedge eight feet. And then the second I just chipped.

3, I just hit 9. About the same thing.

5, 8-iron to 20 feet.

15, I hit 7, 14 feet.

THE MODERATOR: Currently you are at 6-under, tied for the lead. Do you want to just talk about your round.

HEE-WON HAN: I'm just pretty happy about the score and the scores. I played well. But it's weather perfect out there. I'm pretty happy about that.

THE MODERATOR: What are your thoughts going into the weekend tied for the first round?

HEE-WON HAN: Hopefully I just play like this two more days.

THE MODERATOR: What are your impressions of the course so far? Your thoughts on the course? Do you like the course?

HEE-WON HAN: Yes. Why not?

THE MODERATOR: We will open it up for questions.

Q. What's important out there to score well. What do you need to do?

HEE-WON HAN: Just hit the fairway.

Q. Fairways?

HEE-WON HAN: Yes.

Q. Which was your toughest green?

HEE-WON HAN: It's pretty undulated, yes. I think 12.

Q. What was so tough about it? What was so tough about the 12th green?

HEE-WON HAN: You know what, when you see the 12th green, there is lots of bumps and undulation. It looks like it is pretty difficult.

Q. (Inaudible)?

HEE-WON HAN: It's going like right back (inaudible).

Q. Did you play last year at El Caballero in this tournament; how would you compare the two courses, the difficulty, whatever?

HEE-WON HAN: Yes, this one is better I think. That is more difficult. I think this green is a little easier but the course -- and I think the green is a little bit faster that course.

Q. How did you cope and how did you handle the slow play; is that something that you have difficulty with or something you are able to adapt to?

HEE-WON HAN: Waiting.

THE MODERATOR: Any other questions?

Q. What kind of score do you think it's going to take to win the tournament?

HEE-WON HAN: I don't know.
