Second-round quotes:

INTERVIEW OF INBEE PARK

HEATHER DALY-DONOFRIO: We are here with Inbee Park, shot 2-under-par today. She is currently minus 5 standing in a tie for second. Can you talk a little bit about your round today?

INBEE PARK: Today I play really good, solid on the front 9. But I was a little bit disappointed on the back 9, but I made good saves and only one birdie on the back 9 which came to be just a 2 putt birdie for No. 17.

But today overall I only made two bogeys out there. I mean it's playing very tough out there. Only two bogeys, I think I can take that every day. A lot less bogeys today than yesterday so I was really happy with that and just go out there tomorrow and Sunday and just make as many birdies as you can and just see what happens.

HEATHER DALY-DONOFRIO: Questions?

Q. Inbee, as happy as you might be with this round, how impressed are you that you look at the leaderboard and see you are five shots back and Cristie is, I'm not sure she is running away with it, I'm not sure how you describe it, but when you look at a course like that --

INBEE PARK: She shot 6-under today, right?. That's a pretty good score around this golf course. I know she hit some good iron shots out there. I played with her three days in Springfield and I saw how she played. I think it could happen out there. This afternoon with the weather was almost impossible to shoot that number. But, I guess, this morning it was a little bit better conditions, I guess. She is a great player and she can make some putts out there. It's possible. But 10-under around this golf course is just amazing.

Q. Is she catchable, it's five shots with two days to go. You don't feel it's out of reach, do you?

INBEE PARK: No, not at all, I think it's still two days of golf left out there. Anything could happen on this golf course. You could shoot really high score. You could go really low out there.

Q. Was the wind picking up this afternoon that made conditions particularly tough?

INBEE PARK: It was swirling a lot out there. It was a little bit tougher to make decisions on the clubs. So I will say, especially on the front 9 for us, it was windy. During the round it got a little bit better. But I think it was definitely almost as much as yesterday for us.

Q. What else, you said the conditions were particularly tough, what else contributed to the difficulty of the course today?

INBEE PARK: Definitely longer roughs and narrow fairways and longer course. I think everything. I mean with the rain, the greens are a little bit forgiveness, but just overall, everything they just made it really tough. If they make this green really firm I think there should be no under pars out there.

Q. You said you played with her three days in Springfield, what specifically did you see? She just started with a new putter, was she putting that much better than she is now?

INBEE PARK: Well, the week that I play with her she won that week. She was hitting irons really solid. She was sticking everything. But that course was really scorable, I know that. But her iron shots were just unbelievable.

HEATHER DALY-DONOFRIO: You have made 9 of 9 cuts this year, you had a second and third, is your game ready to win again?

INBEE PARK: Yes, I think so. I hope I'm ready every time. I've won once this year in Japan, so I think a win in America would be good.

HEATHER DALY-DONOFRIO: Thank you, Inbee.
