INTERVIEW OF JIM FURYK

Final-round quotes

(Interview by tape.)

Q. Jim, if this was your last round on the PGA TOUR this year, you certainly went down swinging?

JIM FURYK: I did. I did, it's nice to finish off good. I think I birdied 5 of my last six on that front side. Yes, I'm very happy with the way I played today. And 62, to kind of end the year, is super. You're always going to have a little bit of frustration. I didn't do enough yesterday shooting a couple over par, on a perfectly calm day, on an easy golf course. Or a golf course that was playing easy where the scores were low. I didn't do enough to keep myself in the tournament and give myself an opportunity to go fire that low number.

Q. I think 1 Top-10's for you, that's second only to Tiger on TOUR but I also know your game isn't about finishing in the Top-10, it's about wins?

JIM FURYK: Yes, it absolutely is. I hadn't won in two years, a little over two years now, and every tournament I play well, or any time I'm at a pretournament interview, it gets brought up. I would be lying if I said it didn't bother me. Not that it's brought up, it's only my fault. I didn't get it done. I haven't finished up a tournament. It's usually been a bad nine holes during the event. This week it was a bad 18 holes on Saturday. I'm just not doing enough to keep those rounds going. I think when you win a tournament you always have that one day where you are not really clicking on all cylinders. But you got to find a way to scratch it out, make a key putt, still shoot 70, 69 to keep yourself in the tournament and I wasn't able to do it yesterday.

Q. Looking ahead to 2010 there is no reason why that couldn't be a great year for you, particularly the Majors, I think all of those golf courses really suit your game.

JIM FURYK: Remind me where we're going Major-wise.

Q. Pebble Beach, St. Andrews and Whistling Straits.

JIM FURYK: I like 3 of the 4.

Q. Thanks for your time this year.
