Third-round leader quotes

AN INTERVIEW WITH JIYAI SHIN

REBECCA SEELIG: Welcome, Jiyai Shin. Let's start off by talking about your round.

JIYAI SHIN: No. 2 I made birdie. I hit driver, and I left one 110 yards. I hit pitching wedge left side of pin 12 feet and made the putt.

No. 6 hole, par-5, I hit driver, 3-wood. I make 20 and about 15 feet, left side of the hole.

No. 8, I hit 6-iron just two feet right of the cup.

No. 9, I hit driver, I hit 3-wood. I left about 75 yards. I hit 56-degree about 12 feet passed the pin, and I made it.

No. 11, I hit 5-wood, missed the green in the bunker about 15 yards to the pin. I used 56-degree about ten feet in front of the pin, 2-putt.

And then No. 12, I hit driver and 3-wood just in front of the green about 45 feet in front of the cup and 3-putt there.

No. 15, I hit driver, I left it 140 yards, I hit 8-iron and left it ten feet right side of pin and made it.

No. 16, I hit 5-wood, and I missed the green behind the green, about 15 yards, 20 yards, almost 20 yards. I hit 52-degree and made a chip.

REBECCA SEELIG: What do you think were the main differences between your round yesterday and today?

JIYAI SHIN: Hello. Thank you for coming in. And then today my shot a little bit up and down. Today, first nine hole, I made really good save, a lot of holes. And the back 9 was, too. Today, little bit of control on my putting, on my on-green putting speed. But just inside of ten feet my putter was good so I make a good save.

I missed the shot a lot of times, pushed. But also today a couple of holes push, too. I have a good feeling near the green, so I am very comfortable and have confidence, too.

REBECCA SEELIG: Any questions?

Q. You seem to play very well on Sundays including the last two tournaments. Why do you play so well on Sunday? Do you get nervous at all, are you able to avoid getting nervous?

JIYAI SHIN: Well, I think Sunday I know the course, course management. This is a big help for me because I played the last three days of the tournament more for the Sunday play. I know the course very well. And Sunday I make it go low score because I am two strokes behind the leader. Like tomorrow I try to get to the win, so I need two strokes to make it exactly, make it a go, make a good score, I think.

Q. Because you play well on Sunday, and you've won and she has not won, do you think you have an advantage tomorrow?

JIYAI SHIN: I think that's a big thing. I think because I play a lot of time with Na Yeon Choi in Korea and also LPGA Tour. But also last Sunday she lost the score just a couple of times because she never win at the LPGA Tour. Maybe she get big pressure and nervous, too. Also I am nervous and pressure too, but I really like the adrenalin feel. I really like that. That is a bit handy for me. I like that feel.

Q. Jiyai, how many times do you think you've played with Choi through the course of your careers, how many times in a professional round?

JIYAI SHIN: I think almost 20 times, yes. We play a couple of years in Korea, and then she is a good player, too. We played a lot of times.

Q. Tell us about how different your game is from hers. How do you look at both of your game?

JIYAI SHIN: Well, she hit longer than me. Her ball plays high, so it's really good for the second shot. A tough pin location, it doesn't matter because she has a high-ball. But, yes, I'm a little bit short and a little bit low ball, but I think I'm more stronger at the wind, in the wind. So maybe tomorrow, this course is near the ocean, so every day it gets a little bit windy. I have to try my best tomorrow.

Q. How impressed with you are you by her score today, 63, you just saw the golf course, what do you think of 63 out there?

JIYAI SHIN: So amazing play. She play amazing. I talk to Ai Miyazato, we played together, all the time we say, wow, it's tough course, it's a tough course, and tough pin location, but she is still 9-under. She made it. Unbelievable.

Q. Can I ask you why you don't have any sponsors on your bag? Your bag is completely white, why is that?

JIYAI SHIN: That means I'm looking for the good sponsor on my bag.

Q. You have a lot of wins you should have some by now.

JIYAI SHIN: Please.

REBECCA SEELIG: Any other questions? Thank you, Jiyai.

JIYAI SHIN: Thank you very much.
