Round 3 quotes:

QUICK QUOTES FROM JASON BOHN

Q. Just for your round today, just kind of talk us through, you know, what the conditions were like and the strong points of your round.

JASON BOHN: Yeah. I kept the ball in front of me really well today. I played very solid, and I didn't really capitalize coming in. Like I had some good looks actually on the back nine and didn't make many. So a little disappointing on that, but all in all, I mean, any time you play bogey-free, you've done well.

The greens, as fast and as good as they are -- I kept it below the hole when I needed to so I could hit some aggressive putts. Played very nice today, very solid. So I was real happy.

Q. What's the strength of your game so far this week?

JASON BOHN: You hate to say anything because you don't want to jinx it, but my light putting has been very good. When

I've been out of position, I've been able to putt it up there just a couple feet and kind of tap them in. With the speed of these greens, you can get some pretty tough putts. But I've driven the ball pretty well too. I've kept it in front of me on the fairway, and I haven't had many shots that I really had to kind of play around.

If I can get it in there close tomorrow -- I know I'm going to have to shoot a low one, though, because the greens are just so perfect, and the weather is just perfect. It's a little breezy, so it's kind of good. Makes you think a little bit. I mean, it's out there.

Q. You got a win earlier this year just down the road. What is it about this part of the country?

JASON BOHN: I like the Deep South. I don't know, food, the fans. I mean, I just -- I don't know. I like this kind of golf. This is what I'm kind of -- living in Atlanta, this is what I'm used to, some bermuda grass and some good fast greens. Kind of, I feel very comfortable.

Q. You're in a sticky situation. Do you travel 2 1/2 hours down the road to the Alabama game, or do you stay and practice and go after the win tomorrow?

JASON BOHN: Well, I've got to tell you, I'm a little superstitious, and my ritual has been order pizza, get a couple beers, and sit in my hotel room and watch the game. So I've got a feeling that's what I'm going to do. I'll do a little practice and

then watch it tonight in front of the tube. I'd love to go,
though.
