Second-round quotes:

INTERVIEW OF KENNY PERRY

Q. Well you got to be very happy with your round today, you put yourself in position for the weekend?

KENNY PERRY: Well, I'm still 5 behind. It's pretty frustrating you shoot 64. I shot 68, 64 and I'm still 5 behind. So I got a lot of work to do. My game is coming around.

I was in fourth place after three rounds at the Byron Nelson last week, Sunday. But things are coming better. I think I missed one fairway yesterday. And I only missed two or three here today. And I feel a lot of opportunity. Hopefully we are just getting there a few more shots quicker.

Q. Can you talk about some of your birdie holes?

KENNY PERRY: I got off to a good start. I played the back 9 first. Birdied 11, par-5. They made it a 630 hole, so it's definitely a three-shot hole. I birdied the little par-3, 13. Then I birdied 15. Then I parred out. So I shot 32. And I shot 32 on the front 9. So it was a good solid day

Q. Do you get into almost a comfort zone when you play here because obviously you always played well?

KENNY PERRY: Well, I understand the golf course. It's perfect shape. The greens are perfect. I love the membership here. They run the tournament. They do such a fabulous job running this event. This is to me my all time favorite golf course, and I just love coming. The golf course has always been kind to me. Whenever I show up, if I'm playing poorly I seem to play well when I show up here.

Q. You obviously played in the heat here before, was it a factor at all today this afternoon?

KENNY PERRY: No, not really, you just hunt shade, do what you can, stay hydrated, drink lots of water, Gatorade, Poweraid, whatever is

out there. I didn't eat a lot. Normally I've even a lot more. I wasn't very hungry. I just stayed away.

Q. 64 today, what are you looking at tomorrow? What do you think realistically?

KENNY PERRY: I mean it's hot, no wind. This golf course needs wind to be protected. It's not had any wind, so I think that's the reason why you see all of the guys shooting low. It's going to be a birdie fest. I just need to keep doing what I'm doing.

Q. Thank you.
