INTERVIEW WITH NANCY LOPEZ

Q. (Inaudible)?

NANCY LOPEZ: It was better than yesterday, or whatever day it was. It feels like I've been out there for 25 days, but still working on things. Not quite getting it yet, but it's about finding the right swing and spending a little time.

Q. (Inaudible) you really did play pretty well (inaudible)?

NANCY LOPEZ: Yes, I really did. I didn't play very well the first day, but then I was able to come out and work on my game. (Inaudible) you have to deal with and I had to do that and (inaudible) and never give up and just come out and do it.

Q. When you made these birdies, it gives you a little more fire to come out on the course for the week?

NANCY LOPEZ: Definitely, definitely.
