Second-round tournament quotes

## AN INTERVIEW WITH MEG MALLON

(Interview by tape.)

Q. You're back in the tournament now?

**MEG MALLON:** Well, yes, you know Se Ri is playing some great golf and she is obviously very comfortable on this golf course. I mean I have to play some good golf myself to catch her.

Q. Just smoke here?

**MEG MALLON:** (Laughter.) No, no.

Q. What were some of the highlights, memories?

**MEG MALLON:** Well, probably that it was bogey-free and that making 6 birdies and just seeing some putts go in the hole is a lot of fun.

Q. You won this tournament too, I know she has won it four times?

**MEG MALLON:** Absolutely, I think we both enjoy this golf course so much. You have to hit all kinds of golf shots out there. You are rewarded if you hit a good shot.

Q. What do you pay attention to?

**MEG MALLON:** You have to bring your game tomorrow for sure.

Q. (Inaudible)?

**MEG MALLON:** Only golfers know when it's going to be windy. Everyone says isn't it a beautiful day, and I say, ya, but the wind is blowing. We always know when the wind is blowing. That's always an equalizer in golf. Where is that coming from? Is it just a front?

Q. (Inaudible)?

**MEG MALLON:** Storm system?

Q. Possibly?

**MEG MALLON:** Oh, really, okay. So it was blowing something in there, okay.

Q. You have been struggling, putting everything together?

**MEG MALLON:** Right.

Q. Do you feel it coming?

**MEG MALLON:** Well, yes, you know, I seen a lot of positive things happening. I haven't made the scores yet. You know I felt really comfortable with the putter the last two days. Yesterday I had a lot of putts that were around the hole that could have gone in. And today I had a lot of them went in. So that's something that I haven't done in quite some time so that was fun to see.

Q. What are you going to have to do tomorrow to keep yourself in contention here?

**MEG MALLON:** Well, you know, with the wind you have to keep that in mind because it's not going to be easy for anybody. So, you know, you probably are not going to see a 7 or 8-under there tomorrow.

If you shoot 3 or 4-under you might pass a lot of people.

So that's probably the kind of day it's going to take. Thank you.
