## Final-round quotes

### AN INTERVIEW WITH NICOLE CASTRALE

(Interview by tape.)

Q. Besides 18, nice birdie finish there?

**NICOLE CASTRALE:** It was a good day, made some putts, just left myself in some good places on the greens on the greens. I was just trying for fairways and greens with it being so windy out there, just giving myself a chance.

Q. When you wake up and you see where Paula is at and where you are at, what do you think when you get to the course?

**NICOLE CASTRALE:** Obviously, I knew I was going to have to shoot a good number and with the wind being as much as it was today, if there was a way to catch her it was going to be today with it being windy. So I may come up a few short but I gave it my all.

Q. Considering the conditions, is this the best score you've probably ever shot?

**NICOLE CASTRALE:** Definitely best round this year, that's for sure. 64 is my low, but on par 72. But I'll take it. It was a fun day out there.

Q. How much leaderboard watching do you do?

**NICOLE CASTRALE:** I think when I got to 13, and I had two par-5s left, my goal was to try to birdie both and post a number and let her see it and basically see what happens. I thought I almost jugged it on 17. I thought that would be a good way to give two back. Unfortunately, I drove it in the rough on 18, and I didn't leave myself the best approach shot.

Q. 17, I'm sorry, do you know the yardage there?

**NICOLE CASTRALE:** About a foot, my third shot.

Q. Where were you, what club did you use?

**NICOLE CASTRALE:** It was just a sand wedge from 80 yards.

Q. Are you typically a discipline player?

**NICOLE CASTRALE:** I have played well in the wind over the course of my career. Whenever it is windy I like to think that I can post a good number and move up the leaderboard.

Q. (Inaudible)?

**NICOLE CASTRALE:** You know, I knew it would definitely, you know. Everyone can play well in the wind. I prefer it because I was far down to the leaderboard. Like I said, I just played well today.

Q. If you hold on to second place, your reactions to finishing second in this tournament?

**NICOLE CASTRALE:** Yes, it's great. Obviously, every week we are going to an event to try to win it. Starting the day in the Top-20, barely, and to finish second, it's a good Sunday any time you shoot 6-under on the backside.

Q. (Inaudible)?

**NICOLE CASTRALE:** Yes, I feel like I'm starting to get in the groove a bit. I just felt like I really wasn't putting things together early in the year and. So hitting it pretty good and putting well, that's kind of the key.
