### AN INTERVIEW WITH RICKIE FOWLER

(Interview by tape.)

Q. Nice play, by the way.

**RICKIE FOWLER:** Thank you.

Q. Are you surprised by the first two starts on TOUR as a pro?

**RICKIE FOWLER:** I wouldn't say exactly surprised but definitely happy with how I've been playing. I knew I was capable of coming out and playing well. But, yes, I guess in a way a little surprised. Like I said, I wasn't surprised with how well I played.

Q. Was there a sense of urgency that you felt with only entered so many events left? Did you need to play well to bypass this stage?

**RICKIE FOWLER:** Not really, the whole plan was with the first stage, with Q-school. I got two Nationwide starts; Boise. I got two weeks, Vegas and Fry. I'm just so happy to play well. I wasn't exactly pushing myself. I just kind of went out on, no expectations, there is nothing to lose.

Q. What's the revised one plan?

**RICKIE FOWLER:** Right now, I'm just second. If my number stays, if as much money stays win 150 this year, which mathematically, there is no guarantee.
