Third-round tournament quotes

AN INTERVIEW WITH SOPHIE GUSTAFSON

(Interview by tape.)

Q. How did you feel about your round of 2-under?

SOPHIE GUSTAFSON: I feel it was a good score. Considering the way I was playing my iron shots weren't very good. So the 2-under today with the game that I had I'm happy with it.

Q. What about your game was working for you today?

SOPHIE GUSTAFSON: I was in the fairway for the most part. And I keep having a good feeling on the greens. So that's what kept me alive today.

Q. What are you going to have to do to catch Annika tomorrow?

SOPHIE GUSTAFSON: I'm thinking it's going to be quite difficult, but this course can jump up and grab you pretty quickly as we have seen on a few different occasions. I'm just going to go out and have fun and I'll see where I end up when it's over. I assume Annika is going to shoot 69 so that would give her 15-under and I'm at 8 so I would have to shoot 64. So it is pretty much going to take a perfect round tomorrow for me.

Q. How difficult is it mentally knowing the leader you have to catch is Annika given her history of success here in this tournament?

SOPHIE GUSTAFSON: I'm just having a good time here. I'm very relaxed and I'm going to go out there tomorrow and play and hopefully I can get my irons sorted out and we'll see where I finish when everything is over.
