**AN INTERVIEW WITH SUZANN PETTERSEN**

**MIKE SCANLAN:** Suzann, 4 under, you are still in the hunt. Talk about your chances tomorrow.

**SUZANN PETTERSEN:** I was there for the best day. Yesterday, because of the shots I made I am mentally exhausted. Everything was so quick, and I couldn't feel my body. So I tried to swing really slow. That is what I did this morning. That's what I've done all day. It feels much better now. I have to go low tomorrow.

**MIKE SCANLAN:** You have to feel good about that tap-in birdie on 18 heading into the final round, it's got to give you a boost.

**SUZANN PETTERSEN:** Excellent holes, it was very nice.

Q. Just talk about what you have to have happen tomorrow. Is Paula too far ahead for you to catch?

**SUZANN PETTERSEN:** I don't know what she is going to finish, right now she is 7 ahead. I mean we have to go low and she has to be where she is. But you never know in golf. I was 7 ahead in Thailand and I made it quite exciting for the rest of the field. You are not done before you are done. It looks like she is playing well. It's just for us to go out there and stay aggressive and try to fire right at her.

Q. You talked earlier in the week about feeling rusty from your layoff, was today the first day that you got back into it?

**SUZANN PETTERSEN:** Today I felt much better. I don't know why. Maybe I needed a little thing yesterday to kind of wake me up. No, it's getting better. It's definitely shaping up for next week.

Q. How did you put the thing yesterday behind you and come out fresh today. Is that something that's just one of those things

that happened?

**SUZANN PETERSEN:** It was pretty simple, once the rules official gave his final call that was it. It's the rules of golf. Not much I can do. Something I wasn't aware of when I walked off the golf course. That's why we have TV cameras to make it fair.

Q. Would you have rather been told on the course?

**SUZANN PETERSEN:** You still try to make birdies. No, it was fine. Thank you.
