Tournament quotes:

QUICK QUOTES FROM TIM PETROVIC

Q. Talk about the heat.

TIM PETROVIC: I was fine out there. I played early yesterday in the Pro-Am. It was a good warmup. Same kind of thing, stay hydrated. Sweated a little bit, but when you're hitting it like I hit it today, making some putts, you don't tend to sweat so much. Makes your life a little easier.

Q. Did the course play the same as it did the past couple days?

TIM PETROVIC: Yeah, it was playing the same. I think I missed about three eight or nine-foot birdie putts on the first nine. I really had the iron style then. That's funny. I kept saying to my caddie, Man, I just hope I get one that breaks. I was having trouble with the straight ones. I just couldn't make the ones that were straight in. The greens are so pure. All you've got to do is get it online. Sometimes that's the hardest thing to do.

Q. You kind of feel like 7 was the worst you could have shot today, the way you were hitting it?

TIM PETROVIC: I made one good save, but I probably had four of them inside of ten feet that I did make.

Q. [Inaudible].

TIM PETROVIC: Hit the ball around, hit a lot of greens, drove it really well today. Just getting a lot of opportunities.
